PARISH COUNCIL

- Implications of HHPC split : Discussion carry forward to January 2009
- Look for local representation

GOALPOSTS

- HHPC has decided that they are best qualified to decide the positioning of the goalposts and as such they will be moved to a position that is neither where they are now, nor where they were in the four years before that. This work will, we understand, be carried out by contractors arranged by and paid for by the parish council. Mike to question the parish council, when next they meet, as to why they feel the need to spend money on this project

GAZEBO

- Despite recent vandalism, it appears to be structurally sound. All sharp nails, exposed by vandalism have been removed. CGRA believe that it should remain rather than have children hanging around shops or Hall.

INSURANCE OF OUTSIDE PLAY EQUIPMENT

- Brian believes that is the domain of the HHPC, and will seek conformation of this.

FLOOD RISK ASSESSMENT

- New sand bags purchased, filled and already used. George to source wire baskets upon which to store bags when they're wet.
- HHPC investigating feasibility and cost of recommendations made in recent report.
