## **VILLAGE HALL MANAGEMENT COMMITTEE**

<b>CHAIR</b>	IAN SILL	Proposed by Brian Brown Seconded by George Burdett
<b>TREASURER</b>	DENISE SWAIN	Proposed by George Burdett Seconded by Margaret Daniels

## **Minutes and notes taken at the AGM**

The Chairman of the Residents Association read out a report outlining the events of the past year. Audited accounts were available for scrutiny and the treasurer also gave a financial report.

A Chairman's report and audited accounts were also given on behalf of the Village Hall Management Committee. A question was raised concerning the increased electricity charges which were thought to have arisen partly because of previously low estimated bills and the high cost of running the dehumidifiers to dry out the hall after the flooding. It was also pointed out that the insulation in the roof area has never been brought up to modern standards. Discussion covered the exposed drain cover on the field beside the stream, bonfires which were causing annoyance to local residents in certain areas, notice boards which were being filled by commercial advertising and the choice of Grosvener's coach for the trip to Windsor. Len proposed a vote of thanks for the state of cleanliness of the hall and general agreement of the excellent website run by Ian.

The meeting was then closed and refreshments were served.

Date of next meeting Wednesday 3rd June 2009

Next event Saturday 4th July 2009 the Party in the Park
