

'Advent Windows' - Like Advent Calendars, only BIGGER.

Each day in December a home or business in Cheswick Green will decorate a window or porch for people to view between 5.30-8pm that evening. On 1st December there will be one window and by 24th December there will be 24 windows to see. Each window in Cheswick Green is inspired by a Christmas Carol or song.

This is not Blackpool illuminations just a bit of neighbourly fun! We hope that you enjoy spotting the Advent Windows as much as our *volunteers* are going to enjoy making them.
